## WELCOME

Dear friends and colleagues,

We would like to invite you to the 2025 EpSSG Winter Meeting, which will be held in Athens December 3<sup>rd</sup>-5<sup>th</sup> 2025. It's a great pleasure to welcome you all in our beautiful and historic city. The meeting will be a great opportunity to work on future and ongoing clinical trials and projects, enjoy interaction with clinicians and scientists working in the field, engage with young investigators, interact with parents and patients' advocates, and discuss the future strategy of our association. But also, to enjoy a wonderful stay in our city. Our meeting will be held in two different venues.

On December 3<sup>rd</sup>, the different subcommittees closed meetings will be held at the Marianna V. Vardinoyannis – ELPIDA" Children's Oncology Unit.

On December 4<sup>th</sup>-5<sup>th</sup>, the main meeting will take place at the Royal Olympic Hotel, a historic site located in the heart of Athens, Acropolis, in front of the Temple of Zeus and National Garden.

The Hotel has blocked some rooms for delegates at a good price.

Wishing to see most of you this December and looking forward to our Winter meeting!

Yours sincerely

Dr. Apostolos Pourtsidis and Prof. Dr. Hans Merks, on behalf of EpSSG and the Organising Committee
